COLUMBARIUM

SINGLE AND DOUBLE NICHES

The Saint Patrick Cemetery columbarium has been well received. Currently, we have 35 single niche and 22 double niches available for purchase. As cremation becomes more requested, the church recognizes the need and prefers inurnment in a niche or burial in-ground of the ashes. Our property on McClures Gap Road addresses and satisfies all requirements. Pre-planning of your last wishes also saves a tremendous amount of stress and angst that your family would incur while making arrangements.

If you are interested in a single or double niche, please contact Margie Flatley-Carpenter at 717-243-4411 x. 208 or via email at mflatley-carpenter@saintpatrickchurch.org.
